Dear Parent or Guardian:

June will soon be upon us as is the advent of warmer weather. It is important for our students to be dressed for success each and every day they are in school. By following the dress code, students will be prepared and will not miss academic time. If you have any questions or need assistance please let us know.

Please read below:

Bottoms:

Skirts and shorts must be an arm length.

Tops:

No halter tops, spaghetti straps and tank tops must be 2" wide.

Shoes:

All shoes/sandals must have a strap that secures around the back of the feet. Flip flops and/or sliders are not permitted due to safety hazards.

Dress code will be checked daily during announcements. If your child is out of dress code, you will be asked to bring him or her a change of clothes.

Thank you for your cooperation.
